## YOU'RE CHANGING THE FUTURE

At Roswell Park Comprehensive Cancer Center, scientists are very busy. They're researching different ways to treat cancer and developing new therapies to bring an end to this disease for good, but they can't do it alone. They need help funding their research – that's where you come in! By snipping, clipping and shaving, you are helping change the future.

### WHERE THE FUNDS GO

Funds raised through Bald for Bucks support groundbreaking research and patient-care programs at Roswell Park to help patients throughout their cancer journey. There are so many exciting advancements happening. Take a look!

## RESEARCH

For **every \$1** you donate, Roswell Park can leverage **another \$13** in research grant funding!

## PATIENT-CARE PROGRAMS

Fighting cancer isn't easy. But at Roswell Park, we want to do whatever we can to make sure our patients are comfortable and receive the best possible care. These donor-funded quality-of-life programs help with what we sometimes call the small things — but which can become big and overwhelming during a fight with cancer.
